FREQUENTLY ASKED QUESTIONS

Does my student need to be in both Marching Band 7th Hour and a Band Class during the day?

All students are expected to be enrolled in a band or percussion class during the regular school day. If this is a concern for you and your student, please contact Mr. Sampayan directly.

The cost is a surprise. Is there assistance available?

There is financial assistance available. Please contact Mr. Sampayan directly to discuss opportunities for support. Participation fees are tax credit deductible. Any Arizona resident can make a tax credit contribution on behalf of a specific student, or to the band as a whole.

My student has a heavy class load (Honors, AP, STEM) and the time commitment is a concern. Are there resources to support academic success?

Perry High School provides free tutoring to students after school, and the Regiment rehearsal schedule allows time for students to meet with teachers or attend tutoring any day of the week.

Does my student need private lessons?

Private Instruction is highly encouraged. Consistent 1:1 instruction and accountability from a performing professional is the most effective way to rapidly increase technical proficiency and individual confidence.

Band Booster Meetings – All are welcome
Next Meeting is May 6, 2025 at 5:30PM

Note – Our students will have additional channels that are for students, directors, and staff only.

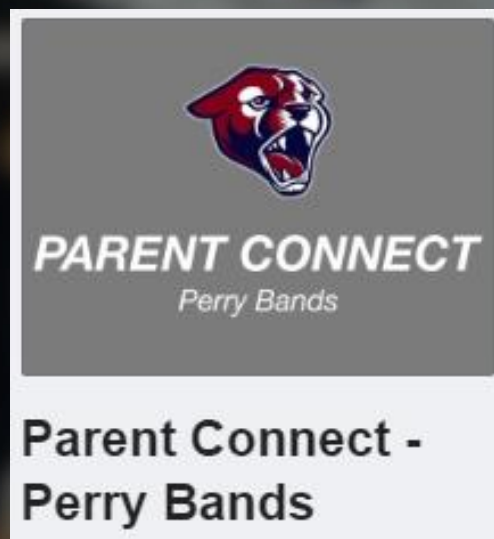

The Band App can also be accessed via website: <https://band.us/home>

The website is important, not only for those of us who just want to read things on a bigger screen, but for students as well.

If a student is ever not able to use their phone, it gives you another option.

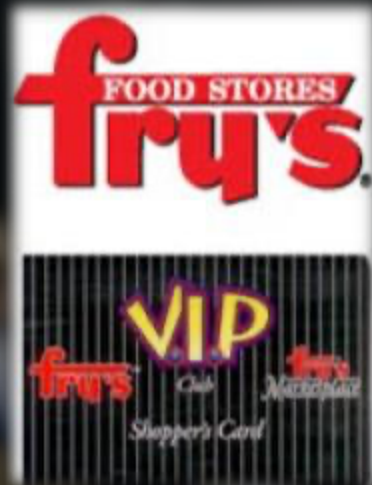

Access to the Band App is a class tool, not just a social media app.

Frequently Asked Questions

My student will be out of town for summer training camp. Can they still participate?

Summer Training Camp attendance is essential to a student's success throughout the entire fall season. The foundational skills built at this camp are difficult to "catch up" on and students who do not attend find themselves behind their peers. If you have a concern, please contact Mr. Sampayan directly and decisions will be made on a case-by-case basis.

My student has a heavy class load and the time commitment is a concern. Are there resources to support academic success?

Perry High School provides free tutoring to students after school, and the Regiment rehearsal schedule allows time for students to meet with teachers or attend tutoring any day of the week.

Does my student need to be enrolled in both 7th hour marching band and an ensemble class during the day?

Yes, all students are expected to be enrolled in a band or percussion class during the regular school day. If this is a concern for you and your student, please contact Mr. Sampayan directly.

The cost is a surprise. Is there assistance available?

There is financial assistance available. Please contact Mr. Sampayan directly to discuss opportunities for support. Participation fees are tax credit deductible. Any Arizona resident can make a tax credit contribution on behalf of a specific student, or to the band as a whole.

The cost of the equipment (bags, track suits, shoes) is not detailed. Is there a list of these items and which are required, and which are optional?

Required for All Members: Show Shirt, Travel Uniform Pants and Jacket

Winds members: MTX Marching Shoes, Under Uniform Shirt, Under Uniform Shorts, Gloves, Lyre, and Flip Folder

Percussion Members: MTX Marching Shoes, Under Uniform Shirt, Under Uniform Shorts, and Wristbands

Color Guard Members: Jazz Shoes, Body Tights (individually purchased)

Optional Items: Embroidered Duffle Bag, Color Guard Gloves, Embroidered Guard Flag Bag, Regiment Corp Jacket

Prices for these items can fluctuate due to supply availability. If purchasing all required items for the first time, anticipate a total contribution of \$215 - \$250 for winds and percussion members, and \$185 - \$200 for Color Guard members.

Actual cost will be available during purchase at band camp.

I don't know other parents in the program. Is there someone in the program I can reach out to?

Any booster board member would love to hear from you! In addition, parents in each instrument section are available to help answer questions and help both you and your student transition successfully into the program.

I work a full-time job and may not be able to support by volunteering time. Are there other ways I can support the program?

Of course! Any adult family members are welcome and encouraged to contribute their time. If you have means to offer personal financial support or support through your business, financial support is as great a need as volunteer hours. If you're looking to make a more specific donation, consider exploring the Perry Bands Wishlist, found at www.perrybands.com/wishlist. Participation in all fundraising efforts will also benefit the program. In addition, many employers will provide corporate sponsorships on behalf of their employees - inquire if your company has this program.
